## This is where you drove

You drove on the A24. This is the road between the A15 near Rozenburg and the A20 near Vlaardingen. You have to pay toll if you drive on this road.

## Have you already paid for a toll trip but still received this reminder?

This can happen in the following situations:

1. You paid the toll too early (more than 7 days before your toll trip).
2. You paid the toll too late (more than 3 days after your toll trip).
3. You paid too little toll (because your vehicle weighs more than 3,500 kg).

You must still pay the amount shown on the front of this letter.

Your earlier payment in the situations 1 and 2 does not count as payment for this trip. That amount will be automatically refunded within 14 days.

Yours sincerely,  
the Minister of Infrastructure and Water Management,  
on whose behalf,

*P. Ploeger*  
Department manager e-TOL, RDW

### e-TOL

e-TOL stands for paying tolls without stopping on the A24 motorway. Multiple government organisations are collaborating on implementing this system. More information is available at [e-tol.nl/aboutus](http://e-tol.nl/aboutus).

### Central Judicial Collection Agency (CJIB)

If you do not pay on time, you will be fined by the CJIB. If you do not pay the fine, CJIB may take measures to make you pay anyway. The CJIB may then involve a bailiff, for example. You will be required to pay the costs of any measures taken in addition to the fine.

### Legislation

This reminder letter is based on:

Article 7, paragraph 1 of the Blankenburg Connection and ViaA15 Temporary Toll Collection Act.
